

NATIONAL HARDWARE SHOW

MAY 9-11, 2017 LAS VEGAS

The 2017 National Hardware Show, set for May 9-11 in Las Vegas, once again aims to be the place for business in the hardware sector. Last year's show claimed nearly 30,000 attendees and more than 2,800 exhibitors in 15 product categories and this year's show hopes to meet or exceed those numbers.

For 2017, the 72nd annual National Hardware Show is inviting attendees to "Reimagine Retail" with an essay contest that will award \$100,000 to one retailer to invest in improvements to store design, technology, employees or products. The winner will be announced on May 10.

Once again, exhibitors will be arranged by product category for attendee convenience. Key categories for professional construction tool and supply distributors include Building Products, Tools & Hardware, Plumbing & Electrical and Paint & Accessories. Depending on your line card, additional categories of interest could include the Farm & Ranch, Storage & Organization and Emergency Preparedness exhibitor areas.

The Made in USA category also deserves a look from everyone. Other featured areas of the show include New Product World, New Product Launch, Inventor's Spotlight and the Homewares and Lawn, Garden and Outdoor Living award winner displays.
