How confident are you in your route to market?

In today's fast-moving construction industry, success depends on more than having great products, it depends on getting those products in front of the right distributors at the right time. Communicating this **new** products news to distributors is essential. This is why the channel relies on **Contractor Supply** for new product and best practice information. Our print publication is vital to our distributor subscribers and our website continues to grow, from **1,172,524** page views in calendar year 2024 to **1,546,896** in 2025!

Through **Contractor Supply** magazine, on our website, in our e-newsletters and custom e-blasts, advertisers gain a direct link to distributors searching for the latest products and solutions to drive business growth. **The smart money works with us.**

**"Contractor Supply helps us
stay connected to the industry
and we love learning from the
achievements of fellow small
businesses across the country."**

Jennifer Gertson, co-owner
Banner Tool Service, Glendale, Arizona

Contractor Supply Website

Custom E-Blasts

Frequency: As ordered by client

59% average open rate*

CS Custom E-Blasts are single-client emails.

The average E-Blast sends to **6,025 subscribers**.

* Based on number of total emails received

** Based on total number of emails opened

Sample: 7 blasts, Sept. 10 to Dec. 17, 2025

» FOCUSED FEATURES

INSIGHTFUL COVER STORIES

At **Contractor Supply**, our mission is simple: empower distributors with the high-impact tools and strategies they need to boost performance and grow profits.

Each of our cover stories dives into real-world success stories, spotlighting how today's top distributors are tackling the industry's toughest challenges head-on. From fending off local and global competitors, to forging lasting partnerships with customers and suppliers, these companies are:

- Creating unique, value-added services that set them apart.
- Growing market share and driving long-term success.
- Evolving their operations for the digital age.
- Navigating generational shifts and planning for the future.

We're here to inform, inspire, and equip our readers with actionable insights they can put to work right away.

INDUSTRY INSIGHTS FROM THE BEST IN THE BUSINESS

Contractor Supply partners with the top trade organizations in the industry such as STAFDA, Sphere 1, NetPlus Alliance, and more, to bring you expert-driven guest columns that tackle today's biggest business challenges.

From cutting-edge tech and smarter inventory control to leadership, cash flow, and sales training, our contributors, including STAFDA-designated consultants, are recognized authorities who know what works and why.

TOMORROW'S TRENDS, DELIVERED TODAY

Every issue of **Contractor Supply** delivers must-know updates on the latest tools, tech, and trends reshaping the construction industry. Our **Industry Updates** sections connect readers with innovations from the world's leading manufacturers, helping you stay ahead of the curve and in front of your customers with what's new and what's next.

THE SMARTEST MANUFACTURERS ARE TUNING IN

More manufacturers are turning to **Contractor Supply** to expand their distributor networks. With every issue, in print and online, we connect emerging and established brands with the distributors who drive the industry forward. Our website, **ContractorSupplyMagazine.com**, offers instant access to breaking product news, nearly 8,000 pages of expert content, and over 4,200 products — all searchable and always up to date.

"Over the 5+ years I've been in the industry, I really have valued the information about businesses in our space and look forward to reading about them in Contractor Supply. I gain ideas and insights seeing what others are doing and where they find success."

Brandon Guthrie, owner and president
Idaho Tool & Equipment, Nampa, Idaho

A-LIST CREDIBILITY

When you advertise with **Contractor Supply**, in print or online, you position your brand alongside the most trusted names in the business. Our readers recognize that presence in **Contractor Supply** means quality, credibility, and reliability. If you want distributors to take your product seriously, this is where the conversation begins.

ON-TARGET, VALUE-ADDED SERVICES

Whether you're aiming for high-impact print, like eye-catching inserts, sponsored covers, feature article reprints, belly bands, or laser-focused digital tools like surveys and targeted email campaigns, we can deliver. Our team works with you to amplify your message, break through the market noise, and connect directly with the decision-makers who count.

TODAY'S TOP MARKET FAQ'S

Number One: Why do contractors rely on distributors?

Because they're buying more than just products, they're buying expertise. Distributors help contractors choose the right tools, understand proper applications, and keep jobs moving efficiently, profitably and safely. Their knowledge often makes the difference in winning new jobs and executing it successfully.

Number Two: Can you sell from an empty warehouse?

Of course not, and that's why distributors must constantly evolve. Staying stocked with the right products, anticipating contractor needs, and maintaining clear communication are essential. At **Contractor Supply**, we work daily to keep distributors up to speed on the latest product innovations and availability across North America.

Number Three: Who do suppliers and distributors trust for industry insights?

Contractor Supply. With over a decade of consistent, loyal service to the construction supply channel, we've earned our reputation as the industry's most trusted source for new product information and best practices.

» MECHANICAL REQUIREMENTS

A. SWOP STANDARDS APPLY

(Specifications for Web Offset Publications)

B. PREFERRED MATERIALS

Digital file complete with layout, fonts and supporting graphics files in a hi-res PDF format.

C. PDF FILES

PDF files are encouraged and should be created with the following specifications.

1. All fonts should be embedded.
2. Convert spot colors to CMYK. No RGB or lab images should be used; make sure all images are 300 dpi CMYK.
3. **Density of tones 300% or less.** Densities higher have potential of blistering on press causing additional charges for down-time.
4. A rich black color should be used to avoid a washed-out appearance whenever large lettering, graphics, boxes or backgrounds are to print as black (*small text should remain 100% black to avoid registration issues on press*). **A rich black should also be used if the color overlaps any other graphic element to avoid ghosting of the overlap.** Use values of 40C/40M/30Y/100K to create a rich black.
5. **Full page ads must be provided with 1/8" (0.125") bleeds on all 4 sides.** Bleed size is 8.625" x 11.125" and the ad will be trimmed to 8.375" x 10.875".
6. Zip compression with down sampling set no less than 300 dpi.
7. Color management set to "none".
8. The "press" preset in the standard Acrobat will usually create an acceptable PDF for both Macintosh or PC.
9. After creating a PDF, **view the file with "Overprint Preview" to verify actual output.**

D. NATIVE FILES

1. Macintosh and Windows-based files are usable. **High resolution files placed by the customer must have all color corrections/alterations done prior to releasing the digital file to Direct Business Media LLC.**
2. All images need to be saved in CMYK mode. EPS or TIFF files are preferred. Do not compress images using JPEG or LZW.
3. Provide all supports related to the digital file (i.e., entire font families, hi-res images and logos). Any third party extension (i.e., Pasteboard) must accompany digital files. We cannot accept native Corel, Microsoft Publisher or PowerPoint files. These programs are not compatible with high-resolution output equipment. If you create files using one of these programs, please recreate in a program listed above, convert the file to a print-ready PDF.

E. DESIGN RECOMMENDATIONS

1. Spread copy should be laid out to avoid reading matter or any important part of an illustration running into the gutter. Please do not break type on gutter.
2. In preparing copy, restrict thin lines and small lettering to one color. Reproduce all reverse lettering with a minimum of colors. Avoid small letters with fine serifs when using reverse lettering.

DIGITAL PRINT AD FILES

Adobe Acrobat PDF (high-resolution), InDesignCC*, Adobe Illustrator CC*, Adobe Photoshop CC*

*or earlier versions

MEDIA STORAGE | TRANSPORT

Send your high-resolution PDF in one of the following ways:

- Upload your file to the web-based FTP (www.hightail.com) using the following address:
<https://spaces.hightail.com/uplink/DirectBusinessMedia>
- Email pegghuckabee@directbusinessmedia.com

When emailing photos, graphics or page layout files, please send them as source (not text) files. Any files containing graphics should be saved as a stuffed, self-extracting file that is bin-hex encoded.

TERMS

Payment: net 30 days. Agencies and advertisers are jointly and severally liable. Discount of 15% applies for agency work if paid within 30 days. The publisher reserves the right to reject any advertising deemed inappropriate for the publication's standards.

» DIGITAL ADVERTISING OPTIONS

Our website will increase your company's visibility whether visitors are viewing the site from their computer, their phone or a tablet. Choose from more ad options including Super Banners, Top Banners, Content Banners and Button ads.

Contractor Supply's digital advertising platforms reinforce your print message and give it the immediacy, speed and adaptability of the internet. Our website at **ContractorSupplyMagazine.com** and our weekly email newsletter, **CS Weekly**, should be key components of your media strategy. We also offer custom email opportunities, our **Contractor Supply Video Library** and our **CS V-Log** blog and video newsletter.

ONLINE ADVERTISING HELPS YOU:

- Reach the supply chain's critical decision makers
- Increase traffic to your own website
- Increase your brand awareness
- Increase your market share
- Reinforce your print advertising campaigns

In 2025, 12-month traffic at **www.ContractorSupplyMagazine.com** reached **1,546,896 page views!** Decision makers in the construction distribution industry visit often for breaking industry news, analysis, articles on distribution management, sales, industry links and more.

SPECIFICATIONS

File type: animated or static .JPG or .GIF

EXCEPTION: Animated ads may not work in some email systems, such as Outlook. **Please submit only static ads for custom emails (e-blasts) and CS Weekly.**

Resolution: 72 dpi

File size: Maximum size allowed 800 KB (the smaller the file size, the faster the ad will load)

Link: Please provide the URL where visitors will be redirected after they click on your ad

Flash: Flash is no longer recommended because major browsers are ending support of that technology. Instead, we accept animated GIF files as well as HTML5 content and animations.

CUSTOM E-BLASTS

Third party/custom e-blasts

\$2,160/blast

Our ultimate fast-response marketing tools, custom e-blasts deliver your message in its purest form to our subscribers — with no clutter, no competition and no waste.

- Custom e-blasts can be sent to your choice of **Contractor Supply's** distributor subscribers or manufacturer subscribers, depending on your intended target audience.
- Plus, our custom e-blasts are well received. The average blast has an average open rate of 49.14% based on the number of opens.

And, **Contractor Supply** subscribers are 100% distribution channel professionals; we do not reach out to contractors, DIYers or hobbyists. So each response to your e-blast represents a potential long-term commercial customer for your products or services.
