From noon until 6:00 p.m. more than 800 booths will showcase amazing tools, gear, and equipment from over 35 different product categories during STAFDA's **Trade Show**. Show-only special pricing and prize drawings will also be featured.

There are several additional hot spots to check out on the Trade Show Floor. Be sure to visit the STAFDA staff in **STAFDA Central**, where you can enter a raffle for exciting prizes, sit down in a neutral area to talk with peers, or take a moment to quick charge your devices.

Also in the exhibit hall are two Pavilions. The **Tech Pavilion** is where attendees can test out the latest in business software, hardware, fulfillment, inventory control, e-solutions, and more. The **Consultants Pavilion** allows STAFDA-endorsed consultants and service providers to review discounts or to answer business questions face to face with members.
